Mountaintop vistas, valley views, bucolic farmland, productive orchards, vineyards and hop farms showcase the scenery along the Blue Ridge Mountains of Nelson County. The first 27 miles of the Blue Ridge Parkway, which follows the crest of the Blue Ridge on the western side of the county, includes many overlooks with stunning vistas of forested peaks, rolling foothills and agricultural communities.

In addition to the Blue Ridge Parkway, Nelson County contains seven designated Scenic Byways that crisscross the County and carry motorists through the Parkway's viewsheds. For motorcycle enthusiasts, Nelson's touring roads are some of the best the East Coast has to offer.

Blossoms of the orchards in the spring, manicured vineyards in the summer, harvesting of fruit and fall foliage in autumn and the snow slopes at Wintergreen Resort in winter offer fantastic photographic opportunities and memorable vistas of scenic Nelson County. The changing seasons offer a variety of beautiful landscapes.
